2026-2027 EXPLORER CLUB COST BREAKDOWN
VALLEY BIBLE CHURCH

	COST PER STUDENT
Registration Fee	$25.00
TruthBook	$10.00
Standard (Uniform) (If Needed)	$13.00

Explanation of costs:

Registration Fee: This amount covers the cost of awards and other general club expenses.

TruthBook: Once a child has been registered and arrangements for payment have been made, they will be issued a handbook appropriate for their age and club. If an Explorer loses his or her book, a replacement may be purchased for the price above.

NOTE: The original books published by Kids4Truth contain 60 lessons each. We will only cover 30 of those lessons each year. Kids4Truth has given us permission to rebind the books accordingly. The cost above is adjusted to the books the students will receive.

Standard: Discoverers (Age 4–K) and Developers (Grades 1-2) wear green standards. Detectives (Grades 3-4) and Defenders (Grades 5-6) wear blue standards. There is a small and large size in each color.

NOTE: Each color standard should last them through 2nd grade (green) and 6th grade (blue). Therefore, unless they are moving up to 3rd grade or have outgrown their standard, a new purchase is *not* required after their first year. Throughout the year, we will keep the standards at the church to prevent loss and to attach their award patches between club nights. They may pick them up at registration at the beginning of the night and leave them with their leaders before they go home.
